TOM BEAN HIGH SCHOOL

EDITION 1 VOLUME 1

**From Coach Chapman:** Wow! It seems like just yesterday that I was hired on as an assistant coach. I was fresh out of college, with barely any coaching experience, and the thought of teaching in the classroom was extremely nerve racking to me.

I remember after the first week of school, talking to my "Mentor Teacher" Mrs. Sarena Owens, and being completely at a loss. I remember telling her that "I'm not sure If I can do this".... "I'm in way over my head." Etc. She looked at me, told me I was doing a great job, and she helped me every step of the way that first year. Pretty soon I was feeling more confident, and now I can honestly say that if it weren't for Mrs. Owens, Mr. Smith, as well as many other great "mentors" at Tom Bean ISD.... I wouldn't be here before you now.

Fast forward to today, and seven years later I have found my home at Tom Bean ISD. As I told Mr. Lusk in the interview for the Athletic Director Position, THIS IS TRULY MY DREAM JOB... and I will do everything I can to make sure that we are successful. I want to retire "A Tomcat". Now it's time to get to work! I am so glad to begin this new journey, and I won't let you down! -Coach Chapman

## Tom Bean Athletics Social Media

The boys' athletic program is making strides to become more efficient in getting out information to parents/community members and athletes when it comes to social media. EVERY SPORT will now be using an app called "TEAM APP" to provide up-to-date results/schedules/stats/important information throughout the year. ONE PLACE... ONE APP... THIS SHOULD MAKE COMMUNICATON MUCH EASIER FOR ALL OF US.

Depending on your phone go to your "app store" and install "Team App." From there you will search for "Tom Bean Tomcats" and you are good to go. You will always have access to our schedule, stats, and photos with this app.

The social media is designed to share important information in regards to Tom Bean Basketball. Enjoy, and...

## ACADEMIC/ATHLETIC ACCOUNTABILITY!

Since May the 1<sup>st</sup>, our coaches/athletes have been focusing on one word.... ACCOUNTABILITY. We have been using grade checks every week to monitor the progress of our student/athletes with our "Academic Accountability" worksheet, and we have been tracking our progress in the weight room with our "Athletic Accountability system." The kids have seen a tremendous growth both academically and athletically since May 1<sup>st</sup>, and I'm extremely confident that we will reap the rewards of this new focus next year.
